BERLIN STUDENT FILM FESTIVAL

BSFF

The Berlin Student Film Festival, a non-profit organisation, aims to inspire and encourage emerging filmmakers through a constructive and professional festival, showcasing their work to prestigious industry leaders.

At the same time offering **student filmmakers** from all over the world a unique opportunity to share their voice and vision with film industry leaders, creating career opportunities.

The Concept

Filmmaking is about sharing stories. BSFF helps student filmmakers share their stories with an **international audience** of cinephiles and industry insiders who can help them take their next step.

Concept

BSFF showcases the filmmaking of students around the world while presenting an **international forum for their voice**. Emerging filmmakers can be recognised for their work while developing their professional network beyond their own campus.

Generations of filmmakers have entertained us throughout the history of cinema.

Now it's time for the next one.
